

Dress Code

In order to promote a professional atmosphere, Delaware DECA has developed the following official dress code policy for the DECA Career Development Conference that exemplifies the highest standards of professionalism while being non-discriminatory between males and females. Students, advisors and chaperones must follow the dress code.

Professional dress should be worn to all conference sessions including workshops and special meal functions such as luncheons. For a more polished, professional appearance, it is recommended that students wear appropriate hosiery/socks.
