DE DECA Goals of 2011-2012:

The state officer team established the following goals for this school year:

- Increase membership by 7% by promoting the organization. Schedule state officer visits to chapters, conduct presentations to future high school students about DECA, and communicate through emails, the website, newsletters, flyers, etc.
- Re-model and maintain the DE DECA website: www.delawaredeca.org
- Publish three newsletters including articles from the state officer team and local chapters.
- Organize and participate in two statewide community service events.

Meet Your State Officers:

Future Plans: Become an investor.

Summer Focus Training:

As all of you were enjoying the early summer sun, your Delaware CTSO (Career & Technical Student Organization) Officer Teams ventured to the Dover Sheraton for summer training. At summer training we learned a number of valuable skills that we will use in this year's term. A lot of you are already familiar with Focus Training. They are the consultants that provide training in leadership, public speaking, and team building. We participated in various team building exercises and even had a fine dining etiquette lesson! As your State Officers, we are entrusted with the well-being of the organization. This summer training gave us the necessary tools to be good leaders in our state. In addition to our training, we developed this year's Plan of Work. We tackled all the major issues and identified the organization's goals for the year. So just remember, while you guys were catching rays, we were busy getting ready for a great year of DECA!

Jenn's Success:

Hello Delaware DECA!

I hope you all have enjoyed your summer vacations and are ready to begin aspiring higher! Team 66 has worked hard to prepare an exciting year, full of great events! From the North Atlantic Region Leadership Conference in Philadelphia, PA to the International Career Development Conference this spring in Salt Lake City, UT you will be presented with many opportunities to aspire higher. Take advantage of DECA and what it has to offer you. I encourage you to reach out to members of the National Advisory Board and visit your Senators and Representatives to extend an invitation to join our Congressional Advisory Board. This is the year to make the most of your DECA experience! This is the year to go farther than you ever have and aspire higher!

This year I will be serving as your North Atlantic Region Vice President. I'm to take on this new and exciting experience with all of you and show everyone how awesome DECA truly is! I wish you the best of luck in your competitive events and throughout all of your DECA endeavors! Feel free to reach out to me with any questions at decavpjenn@gmail.com. I am also on Facebook and Twitter (DECAvpjenn). I know this year will prove to be sensational!

My monthly blog can be found here: <http://www.deca.org/people/jenniferharrington/>

Remember to *aspire higher* in everything you do!

Jenn Harrington
North Atlantic Region Vice President
2011-2012

2011 Fall Leadership Conference:

On November 1st at the Dover Sheraton, Delaware DECA and BPA will be hosting the Fall Leadership Conference. Each year the two organizations collaborate to put together a day that is filled with activities and workshops geared towards leadership development. It is the perfect opportunity to meet new people from all over Delaware. The conference is a day long event, including breakfast and lunch. We are planning for another great conference and hope to have many new members in attendance.

Dover Chapter:

We are taking the time to shine light on some of our local chapters and this season we are recognizing Dover High School's DECA Chapter. Dover's DECA Officers for the 2010-2011 school year includes Alesha Brown as President, Joshua Finney as Vice President, Kristen Dietz as Secretary, Dylan Mozick as Treasurer and Amber Boyce as Public Relations. This was a very rewarding year for us. We attended many workshops and conferences that improved our team building, leadership and marketing skills. We attended conferences at the Junior Achievement Building in Wilmington, Delaware, The Fall Leadership Conference In Dover, Delaware, and the Washington DC Power Trip Leadership Conference, The Statewide DECA Conference in Dover, Delaware, in which two of our officers placed 1st in their event that took them to the National Conference held in Orlando, Florida. We have participated heavily in fundraising activities through selling Otis Spunkmeyer Cookies, the Charity Links where we raised \$500. We also participated in the Sleeping Bag Drive. Some of our future goals include feeding the homeless throughout the year, we want to fundraise benefiting the March Of Dimes Campaign through Charity links, hopefully reaching our target goal of \$1000. upcoming year we hope to show promise and look forward to accomplishing much more.

Charity Links:

Each year, Delaware DECA participates in some sort of charity work. Last year Delaware DECA members helped raise thousands of dollars and contributed 1834 sleeping bags to the sleeping bag drive. The sleeping bag drive was a fundraiser to raise either money or sleeping bags for more than 2,000 homeless children of Delaware. With the success of last year's sleeping bag drive, we are now starting a new charity program, Juvenile diabetes (JDRF). Juvenile diabetes research foundation is a leader in funding to help cure type I diabetes. They are committed to help develop better treatments that can improve the lives of type one diabetes patients. As Delaware DECA, we plan on helping JDRF by raising funds to donate to their worthy cause.

dedicated to finding a cure

National Conference:

DECA's national conference 2010-2011 was held in Orlando, Florida. Over 15,000 members from the U.S. and Canada attended this conference, and only the best of each state/providence advanced to compete in various events with the most intense competition. Every year DECA's national conference is held in different parts of the US. For 2012, the national conference will be held in Salt Lake City, UT. Let's aspire higher for another great year!
